AUTO GARD

TOP QUALITY
VEHICLE SERVICE
CONTRACTS

As vehicles become more technologically-advanced, repairs get **MORE expensive too!**

Get protection against unexpected and costly repairs beyond your manufacturer's warranty coverage with an AutoGard vehicle service contract (VSC). They are exactly the same type of contracts sold in dealerships nationwide, but provide the best possible coverage at a much lower price (usually \$1,000 cheaper than dealerships), backed by A-rated insurance company.

Plans are transferrable, and add resale value to your vehicle should you sell it in the future!

This brochure is for reference only. Please refer to your Service Contract for complete component/parts listings, and coverage details for ALL plans, options and benefits.

Additional Benefits

24/7 EMERGENCY ROADSIDE SERVICE

Available at no cost for towing up to 25 miles, battery jumpstart, flat tire change, fuel delivery* and locksmith services.

TRIP INTERRUPTION

Reimbursement for food/lodging expenses, up to \$90 per day up to 3 days, if a covered mechanical breakdown occurs more than 100 miles from home.

RENTAL CAR

Reimbursement for rental car expenses, up to \$30 per day for up to 5 days, after a covered claim is opened due to covered repair work.

COMPETITIVE LABOR RATES

Labor charges are based on Mitchell flat rate time to repair or replace a covered component up to \$125 per hour of posted labor time.

NATIONWIDE COVERAGE

Accepted at your dealership and by ASE licensed mechanics nationwide.

* You are responsible for the actual cost of delivered materials. All services are subject to maximum reimbursement limits. Coverage may not be available in all states. Restrictions & limitations may apply. Roadside services provided by Auto Knight Motor Club, Inc.

Complete Platinum

This top level comprehensive coverage provides the best quality protection for all factory installed mechanical or electrical components except those items listed in the exclusions section* of your contract.

Coverage also includes all of the additional benefits listed on the outside panel of this brochure, plus the following:

RENTAL CAR: Modified to \$50 per day for up to 7 days after a covered claim is opened.

LABOR: Labor rate is modified up to \$150 based on Mitchell accepted flat time to repair or replace a covered component as part of an authorized repair.

FLUIDS: Up to \$200 fluid allowance for any covered repair including R134a refrigerant.

DIAGNOSTIC CHARGES: Up to 2 hours or \$200 diagnostics coverage (whichever is less).

* **EXCLUDED ITEMS INCLUDE, BUT ARE NOT LIMITED TO:** Maintenance, rust, corrosion, body repairs, convertible tops, leaks, squeaks, rattles, sun damage, weather stripping, OnStar™, satellites, GPS, sound systems, TVs, DVD and MP3 players, and all other items not covered by the original manufacturer.

Please refer to your contract for complete list of exclusions.

Flex Preferred

This high level stated component coverage provides quality protection against expensive repairs!

ENGINE: Cylinder block, cylinder heads, and all internally lubricated parts including: pistons, piston pins, piston rings, connecting rods, connecting rod bearings, crankshaft and main bearings, camshaft and lifters/followers (lifters or followers which have not failed, and only require cleaning are not covered), intake and exhaust valves, push rods, rocker arm shafts, rocker arms, and timing drive components including timing chains/belts. (Timing chain or belt which is being changed as part of the manufacturer's preventive maintenance schedule, is NOT covered). Valve train covers, intake and exhaust manifolds, flywheel, oil pump, and oil pan. Internal engine sensors. All factory installed sensors use to monitor engine performance, including: oxygen MAS, MAP, TPS, vacuum, coolant temp, knock, cam, crank and oil level, oil pressure, fan temperature, and EGR position sensors. Engine control module, and fuel injection control module. External Engine Components: Harmonic balance, crankshaft pulley, engine mounts, idler pulleys, intercooler, belt tensioners, timing cover, emission air pump and control valve, crankcase ventilation valve, EGR valve and cooler, throttle body, idle air control motor or solenoid, factory oil cooler, oil filter adapter, and thermal vacuum valves.

AUTOMATIC TRANSMISSION: Transmission case and all internally lubricated parts, planetary gear systems, clutch and steel packs, clutch drums, bands, internal seals, pump, valve body, internal sensors, internal solenoids, and overrunning or one way clutch assemblies. Torque converter, and torque converter housing. External solenoid packs, factory transmission control module, powertrain control module, related sensors and external control solenoids or motors.

STANDARD TRANSMISSION: Transmission case and all internally lubricated parts, input shaft, output shaft, idler shafts, main shaft, all internal gears, synchronizer assemblies, and shift forks. External solenoid packs, factory transmission control module, powertrain control module, related sensors and external control solenoids or motors. (Standard transmission clutch assemblies, linkages, and hydraulic clutch units are NOT covered).

TRANSFER CASE: Transfer case on all four wheel drive vehicles and all internally lubricated parts. External shift solenoids, levers, or mechanisms.

DIFFERENTIAL: Front or rear axle joints. (Boot failure, or damage resulting from boot failure, is NOT covered.) Front or rear differential housing and all internally lubricated parts (excluding wheel bearings). Drive shaft universal joints. External shift solenoids, levers, or mechanisms.

COOLING SYSTEM: Fan and fan clutch, primary electric fan motor, primary water pump, and radiator. Fan control module, heater motor, heater control module, heater core, coolant pump for heater, and coolant heater solenoids or control valves.

AIR CONDITIONING: Compressor, compressor clutch, clutch coil, evaporator, and condenser on vehicles with factory installed air conditioning originally equipped with R134a. AC dash control and modules. AC compressor, AC clutch and clutch coil on vehicles with factory 134 air conditioning units. Condenser, condenser fan motor. AC radiator cooling fan, drier, orifice tube, and AC control module.

AXLE SHAFTS: On front wheel drive vehicles covered after the greater of 30 days or 1,000 miles. (Boot failure, or damage resulting from boot failure, is NOT covered.)

STEERING: Steering gear, rack and pinion, and all internal parts. Power steering cooler and lines. Power steering pump (electric or engine driven), steering column shaft and couplings.

SUSPENSION: Front or rear springs which are broken. Control arms, control arm bushings, and upper or lower ball joints. Control arm shafts, front or rear wheel bearings, spindles, radius arms and bushings. Stabilizer bar, links and bushings, torsion bars, and hub assembly.

BRAKES: All brake components, including all components of the anti-lock brake system including: wheel cylinders, front or rear calipers, brake springs, pins, hardware kits, wheel speed sensors, (sensors damaged by bad wheel bearings are NOT covered), brake hoses, brake lines, brake combination or proportioning valves, master cylinder, ABS pump, ABS module, ABS hydraulic unit, ABS hydraulic control unit, ABS accumulator, and parking brake actuator.

ELECTRICAL: Alternator, voltage regulator, front or rear wiper motors, (head lamp wiper assemblies are NOT covered), starter motor, power window motors and regulators, power seat motors, and power door lock actuators. Sun roof motors, convertible top motors or actuators, power antenna, power mirrors, cruise control computer and actuator; power trunk, tailgate, hatch, and side door motors or actuators (including vacuum motors or actuators). Remote door lock receivers. Wiring harnesses, ignition lock cylinder, and all manually operated switches. Driver information gauges.

FUEL SYSTEM: Primary and secondary fuel pumps, fuel injectors, fuel rails, fuel pressure regulator(s), and fuel control module.

TURBOCHARGER/SUPERCHARGER: Factory installed turbo/supercharger, waste gate, and control module.

SEALS & GASKETS: Provides replacement of seals and gaskets which are leaking fluids (lubricants or coolant). Slight seepage is not considered to be a covered repair. (Vacuum leaks are not covered).

FLUIDS: Up to \$100 fluid allowance for any covered repair including R134a refrigerant.

DIAGNOSTIC CHARGES: Up to 2 hours or \$100 diagnostics coverage (whichever is less).

** Failed or Failure: A component which has received recommended factory service but which is broken or can no longer function within manufacturer's service limits.

Complete Wrap

If your vehicle is currently covered under a manufacturer's power train warranty, you can "wrap" this coverage around it and enjoy top-level protection (comparable to Complete Platinum) for a reduced cost!

This plan covers all approved repairs for any failed** component EXCEPT items which were originally covered under the manufacturer's power train warranty, and items listed in the exclusions section* of your contract.

Coverage also includes all of the great additional benefits listed on this brochure, PLUS the following:

RENTAL CAR: Modified to \$50 per day for up to 7 days after a covered claim is opened.

LABOR: Labor rate is modified up to \$150 based on Mitchell accepted flat time to repair or replace a covered component as part of an authorized repair.

FLUIDS: Up to \$200 maximum fluid allowance for any covered repair including R134a refrigerant.

DIAGNOSTIC CHARGES: Up to 2 hours or \$200 diagnostics coverage (whichever is less).

Customize Your Coverage

WEAR & TEAR: Available on all coverage levels. Provides coverage for covered components that are worn beyond manufacturer's specifications.

SEALS & GASKETS: Available with surcharge on Complete Platinum coverage (included on Flex Preferred). Provides replacement of seals and gaskets which are leaking fluids (lubricants or coolant). Slight seepage is not considered to be a covered repair. (Vacuum leaks are not covered).

COMMERCIAL USE: Available with surcharge on Complete Platinum coverage only. Provides coverage for any vehicle licensed or used for business purposes, including delivery services. Excluded vehicles include taxis, emergency, police, limo, shuttles, rental, tow, and dump vehicles. This surcharge is mandatory as it applies.

LIFTED VEHICLES: Available with surcharge on Flex Preferred coverage only. Provides coverage for vehicles equipped with a 6" maximum body/suspension lift, provided the lift components are warrantied for a minimum of 3 years by the lift manufacturer. (Suspension reductions, undersized wheels, or tire height modifications are NOT covered). This surcharge is mandatory as it applies.
